CRU Draft Strategic Plan 2025-27

Vision, Purpose, and Values

OUR VISION:

Resilient, efficient, sustainable, and safe energy and water services for Ireland.

OUR PURPOSE:

We actively serve the public interest by regulating the provision of energy and water to Irish homes and businesses, while supporting the transformation to net zero.

OUR VALUES:

• Integrity • Professionalism • Openness • Accountability

Further information on the CRU's role and relevant legislation can be found on the CRU's website at www.cru.ie

Objectives of Information Paper

In the context of increased energy prices, the CRU is publishing updates on arrears and non-payment of account disconnections.

In this context, the purpose of this information paper is to provide consumers, industry, and other interested stakeholders with relevant information on trends in the number and percentage of customers in arrears and the number of disconnections carried out due to non-payment of account.

Arrears

Tables 1 and 2 below show the number and the percentage of customers that were in arrears at the end of each quarter for the period Q1 2022 – Q2 2025 and at the end of each month for the period May 2024 – June 2025. Figures 1 to 4 also provide a graphical representation of the data on arrears.

Trends in 2025

Domestic customers:

- The percentage of domestic electricity customers in arrears in June 2025 was 13%, which is the same percentage it has been since March.
- The average value of a domestic electricity account in arrears increased by 1% in June 2025 compared to May 2025. The value of a domestic electricity account in arrears is 6% higher than what it was in June 2024.
- The percentage of domestic gas customers in arrears in June 2025 was 27%¹, up from 25% since March this year. This is the highest percentage since reporting began.
- The average value of a domestic gas account in arrears remained at the same level in June 2025 that it was in May 2025. The average value of a domestic gas account in arrears is 7% lower than what it was in June 2024.

Non-domestic customers:

- The percentage of non-domestic customers in electricity arrears in June 2025 increased by 1% from May to June 2025 and is now 13%.
- The percentage of non-domestic gas customers in arrears in June 2025 remained the same as in May at 22%.

¹ Electric Ireland provided corrected data to the CRU in its June 2025 submission in relation to an error in customer arrears

Non-Payment of Account Disconnections

Table 3 below shows the number of disconnections carried out due to non-payment of account (NPA) for the period January 2024 to June 2025. The table also shows the total number of NPA disconnections for the years 2018 - 2023. Please note that no domestic or electricity gas NPA disconnections took place between December 2022 to March 2023, December 2023 to January 2024, and the period between the 9th of December 2024 to the 17th of January 2025, as there were domestic disconnection NPA moratoria in place at those times. Please also note that the disconnection figures from January 2025 onwards are subject to change in accordance with disconnection records held by ESB Networks and Gas Networks Ireland as part of a half-yearly reconciliation exercise.
